

PLANNED GIVING AT CHILDREN'S CAMPAIGN FUND

As a member of the Funding the Future Legacy Society, you can make an impact for generations of children and families to come by investing in Children's Campaign Fund (CCF) through a variety of meaningful planned giving options.

As with any major commitment, please consult with your financial advisor and/or attorney on which opportunities are best for you.

Wills and Bequests: While retaining control of your assets during your lifetime, remembering CCF with a bequest from your estate will have a profound impact on our future and your legacy. You can make a bequest to CCF by including language in your will or living trust that leaves a portion of your estate to our organization, and will make an impact for generations to come.

Life Insurance and Retirement Policies: Supporting CCF with a gift made through your life insurance policy is a meaningful way to make a lasting impact over time. This can be as simple as updating the beneficiary designation form with your policy holder to include our organization as a full, partial, or contingent beneficiary; similarly, you may gift unused retirement assets at the time of your passing by requesting a change of beneficiary from the custodian of your account to continue your support of CCF.

Other Financial Accounts: You can leave a lasting legacy by making Children's Campaign Fund the "transfer on death" (TOD) or "pay on death" (POD) beneficiary of a brokerage or bank account or a certificate of deposit.

If you've included CCF in any of your estate plans, please let us know by filling out our intent form on the following page. We'd be honored to celebrate and highlight your generosity while ensuring we understand the full nature of your gift. For questions, contact Jess Agi at jess@childrenscampaignfund.org or 646-964-7875

Thank you for your transformative generosity!
